1. This Act may be called the Maharashtra Control of Organised Crime Short title.
(Amendment) Act, 2025.

“(e) “organised crime” means, any continuing unlawful activity, by an individual, singly or jointly, either as a member of an organised crime syndicate or on behalf of such syndicate,—

STATEMENT OF OBJECTS AND REASONS

The Maharashtra Control of Organised Crime Act, 1999 (Mah. XXX of 1999) (hereinafter referred to as “the MCOC Act”) has been enacted to curb or control the menace of organised crime which is fueled by illegal wealth generated by contract killing, extortion, smuggling in contrabands, illegal trade in narcotics, kidnapping for ransom, etc.

2. In recent times, the increasing cultivation, production, manufacture, possession, sale or transport of narcotic drugs and psychotropic substances has emerged as a very serious threat to the society. A large number of young people have been found to be falling prey to the consumption of drugs. The consumption of drugs is not only destroying the health and well-being of public at large but is also tearing apart the social fabric.

It is noticed that, many organised crime syndicates are often found to be using some of the non-functional, sick and defunct chemical production factories for manufacturing of drugs, which is prohibited under the Narcotic Drugs and Psychotropic Substances Act, 1985 (61 of 1985) (hereinafter referred to as “the NDPS Act”). The enormous illegal wealth is generated by the smuggling in contrabands and illegal trade of narcotics and has potential to be used for terrorist and other unlawful activities. This is not only adversely affecting the State’s economy but also compromises public safety and security.

3. Section 2(1) (d) of the MCOC Act defines the term “continuing unlawful activity” as an activity prohibited by law for the time being in force, which is a cognizable offence punishable with imprisonment of three years or more, undertaken either singly or jointly, as a member of an organised crime syndicate or on behalf of such syndicate in respect of which more than one charge-sheets have been filed before a Competent Court within the preceding period of ten years and that Court has taken cognizance of such offence. To bring more clarity about covering the offences relating to narcotic drugs and psychotropic substances under the MCOC Act, the Government considers it expedient to amend the definition of “organised crime” under the MCOC Act, suitably.

4. The Bill seeks to achieve the above objectives.

Dated the 7th July 2025.

Chief Minister.
